## HT-124

## IN THE UNITED STATES PATENT & TRADEMARK OFFICE

Applicant: Simon Tornberg

Title: A Bumper Beam For A Vehicle

U.S. National Phase of PCT/SE2005/000211

Filed: February 17, 2005

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Attn: Mail Stop PCT-US/DO

## INFORMATION DISCLOSURE STATEMENT

Enclosed is Form PTO-1449 identifying six (6) references.

Also enclosed are copies of the six identified references.

The present application is the United States National Phase of PCT/SE2005/000211. The six identified references were cited in the International Search Report issued in connection with the corresponding PCT application.

Also enclosed is a copy of the Written Opinion issued by the International Searching Authority in connection with the corresponding PCT application. The Written Opinion concludes

## 10/589925 IAP6 Rec'd PCT/PTO 18 AUG 2006

that Claim 2 is directed to patentable subject matter. Applicant notes that original PCT independent Claim 1 has been revised to include the features of dependent Claim 2, therefore effectively rewriting PCT Claim 2 in independent form.

Applicant respectfully requests that the six enclosed references be formally cited of record in connection with the United States National Phase as illustrating the background state of the art.

Respectfully submitted,

Mark P. Stone
